

Sea Lies

Year 6 Group Poem, Colneis Junior School

The sea invites sailors into the depths of its home.
The sea carries dogs all around the world to a party on the beach.
The sea has no bottom.
The red sea is made of pomegranate juice.
The sea is cold because it hasn't got a coat on.
The sea's greatest fear is water.
The sea feeds on rubbish but even he can't manage it all.
The waves going up and down is a sign that the sea is breathing.
The sea will wave to you when you leave.
The sea stole my heart, chewed it up and spat it back out.

The sea is made in Hong Kong.
The sea has a licence to kill.
The sea was best friends with Felixstowe in 1953.
The waves dance like dolphins.
The sea hates all fish.
The sea says "get off you're hurting me" to the boats.
The sea eats footballs for a living.
The sea is married to the sand.
The sea is a fisherman; a thousand year old.
The sea kidnapped the moon.

Don't ask the sea if it's a boy or a girl.
The sea has a brother named Fred
The sea has a small cousin who is a pond.
There is a village of people at the bottom of the sea.
The sea is a competitor that drags you down.
The sea is a reflection of the sky.
The sea has its own torchlight.
If you smack the sea it will splash you back.
The sea is full of chocolate buttons.
The sea keeps its secrets only for me.
